**Rent LED Security Light** \$ \_\_\_\_\_  
 I agree to rent an LED Security Light, installed on Central's existing secondary facilities, for \$8.65 per month. The light may be mounted on a separate pole up to 100 feet from the secondary service location for an additional \$3.25 per month. There will be no service charge for repairs required due to normal operation of the light. This is not a metered light. **The Rental Light Agreement obligates the member to pay rental charges for a minimum of one year. If the service is terminated before fulfillment of the one-year period, the remaining rental charges will be added to the member's final bill for service.**

**Rent LED Flood Light** \$ \_\_\_\_\_  
 I agree to rent an LED Flood Light, installed on Central's existing secondary facilities, for \$21.90 per month. The light may be mounted on a separate pole up to 100 feet from the secondary service location for an additional \$3.25 per month. There will be no service charge for repairs required due to normal operation of the light. This is not a metered light. **The Rental Light Agreement obligates the member to pay rental charges for a minimum of one year. If the service is terminated before fulfillment of the one-year period, the remaining rental charges will be added to the member's final bill for service.**

\* Lights requested beyond 100 feet of secondary may be set for additional charges. (Appointment required.)

**IMPORTANT**

*Any alterations made to the security light, such as installing a switch, will void any warranties. Damage caused to the security light by such alterations may result in the member being charged for repair fees. Central does not maintain or repair such alterations and does not allow switches on rental lights.*

Which direction (east, southwest, etc.) do you want your light to face? \_\_\_\_\_
